Green County Services Guide

2026–2027

Brought to you by:

Information at your fingertips

You hold in your hands the 2026-2027 Services Guide for Green County. On these pages you will find information on services for aging and people with disabilities, with names and phone numbers at your fingertips.

If you'd like more information on a specific service or services, contact the Aging & Disability Resource Center (ADRC) at (608) 328-9499.

These guides will be available at some of the agencies found in this guide as well as the ADRC. Extra copies of this guide are available at our office for no extra charge and we can mail one to any address in the U.S. Give us a call if you would like some sent to you!

This directory may not include all agencies serving Green County residents and is *not* a recommendation for any provider.

Housing Options

For up-to-date and accurate information on types of housing and locations, please call the Aging and Disability Resource Center at (608) 328-9499. We have extensive listings of apartments, subsidized and assisted living opportunities.

Apartments— Apartment living eliminates yard care, home maintenance and climbing stairs and can increase social contact as well as reduce housing costs. Green County offers a variety of rental housing for all income levels.

Adult Family Homes— Adult Family Homes are small group homes consisting of 4 or fewer residents and certified by the county or state.

Community Based Residential Facilities (CBRF)- A CBRF is a group home which offers meals, housekeeping and help with personal tasks like bathing and dressing.

Residential Care Apartment Complexes (RCAC)- Sometimes referred to as **Assisted Living Facility**, these Apartment complexes provide individuals a “home-like” environment. In addition residents are able to access up to 28 hours per week of supportive personal and nursing services.
